School Name: THE HILLS SPORTS HIGH SCHOOL

STW Coordinator: JAYNE BOWMAN

	School Initiative

Key Result Area connection (background)	• Develop a program to target and assist students who are at risk of disengaging. This program would provide an opportunity for the following target group of students to open their eyes to the world of work:-
	  • Polynesian students
	  • Refugees
	  • Gifted and talented students
	• The program would provide an opportunity for students to gain an understanding of career options and workplaces. The program will draw guest speakers to discuss the expectations of employers and applying for jobs. The program has the capacity to establish links to extend career pathways for students.

Initiative outline	To provide students at risk of disengaging from school opportunities to explore careers and visit work places that would be of interest to them.
